Ilio Mini App Controllable Floor Lamp

By Artemide

Description

Experience the essence of minimalist design and advanced functionality with the Artemide Ilio Mini App Controllable Floor Lamp. This sleek fixture features a remarkably simple, cylindrical silhouette, expertly constructed from durable aluminum and steel, creating an understated yet powerful presence. Light from the integrated LED source is precisely directed upwards, providing dramatic indirect illumination that washes ceilings and walls with a soft, ambient glow while effectively reducing glare for superior visual comfort. The Ilio Mini offers intuitive control: a dimmer switch is conveniently located on the lamp's body, providing tactile adjustment. For even greater flexibility, its dimming settings can also be controlled wirelessly via the intuitive Artemide mobile app, allowing you to fine-tune the ambiance from your smartphone or tablet. This seamless blend of pure form, powerful indirect light, and modern app control makes the Ilio Mini an ideal choice for adding a touch of contemporary elegance and smart illumination to any living space, office, or lounge.
