Ripple Acoustic Diffuser

By Artemide

Description

Enhance both the visual and acoustic comfort of your space with the innovative Artemide Ripple Acoustic Diffuser. This optional accessory is specifically designed to seamlessly fit onto the Artemide Ripple Suspension light, transforming its functionality. Beyond softening the pendant's light to create a more gentle and inviting ambiance, the diffuser is expertly crafted from specialized acoustic material that effectively absorbs excess sounds from the surrounding environment. This dual functionality helps to reduce echo and ambient noise, contributing to a more serene and pleasant atmosphere. Each diffuser is available in a variety of heights, allowing for unique arrangements that create a captivating sculptural aesthetic when combined with the Ripple Suspension. This thoughtful accessory is an ideal solution for spaces where both refined illumination and improved sound quality are desired, seamlessly blending into transitional or contemporary interiors to offer a holistic approach to comfort.
