Embosse Color Select Wall Sconce

By Et2

Description

The Embosse Color Select Wall Sconce brings a clean, simple look to your interior space. The circular shape can be used as a lighted mirror, with light emitting from the acrylic diffuser, casts warm shadows across your wall. Note: A switch allows you to change the color temperature of the light between 2700K/3000K/3500K/4000K/5000K.

Shown in polished bronze / white
