Iver Smart Ceiling Fan with Light

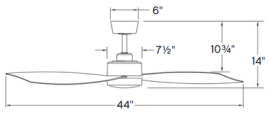

By Hinkley Lighting

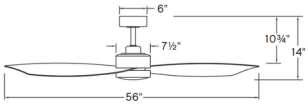

Description

The Iver Smart Ceiling Fan with Light shows influences of Scandinavian design in its clean profile. Slightly curved, tapered blades are paired with a simple light kit, creating a versatile look that works well in many indoor and outdoor settings. Its energy-efficient DC motor delivers powerful airflow, and its anti-fading finish ensures maxiumum durability. A convenient wireless HIRO control is included. It incorporates WiFi and RF technology, and enables motor on/off, 6 speeds, forward and reverse, and light on/off with warm dimming from 3000K to warmer. It can be wall-mounted or hand-held. A face plate and cradles are included, and the remote fits in standard decorative style face plates as well. A manual on/off switch is also included. The fan can also be controlled through your smart device using the Hinkley app. In addition to the basic functions, the app has timers, breeze mode and other advanced features, and links the fan to smart home systems including Google, Amazon Alexa, and Siri. A cap for no-light use is included, and other optional accessories are sold separately.

Shown in matte black / matte black
