Medusa Table Lamp

By Oluce Srl

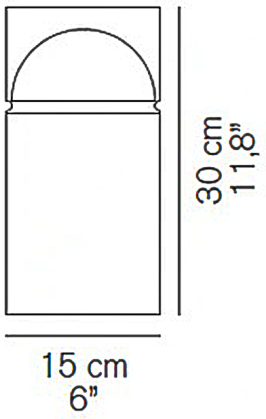

CE

Description

The Medusa Table Lamp is petite and playful, with an intriguing silhouette that makes it an artful decorative object as well as a light source. Medusa subverts the traditional configuration of a lampshade sitting atop a base by placing the lampshade within the lamp's clear cylindrical body. The dome shaped shade houses an integrated LED that delicately shines downward onto the glass surface below. On/off switch located on cord.

Shown in scarlet red / clear
