Questa Pendant

By Dainolite

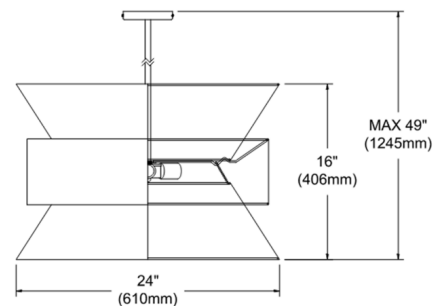

Description

The Questa Pendant has an hourglass profile that's created by placing 2 flared fabric shades above and below a drum shade. The drum shade feels like it floating around the middle, an effect that is heightened by the bright ambient light that shines above and below it. Abundant downlight also shines down through the open bottom, making this pendant ideal for illuminating a dining table or kitchen island prep surface.

Shown in polished chrome / white / matte white
