Atticus Outdoor Floor Lamp

By Bover

Description

Less is more with the Atticus Floor Lamp. Its design is light and simple yet offers a realm of possibilities through its understated charm. Designed as decorative outdoor lighting, the Atticus lends a welcoming feel to any space without being intrusive. The shade is hand-woven out of recyclable, non-toxic synthetic polyethylene fiber, and inside is a UV-resistant polyethylene globe diffuser. This lamp is available as a plug-in (model P/114) or portable rechargeable lamp (P/114/R). The portable option has a button near the shade for turning the lamp on/off and adjusting to three brightness levels: 33%, 66%, 100%. It includes a USB charger, charges in 12 hours, and operates for 8 hours at full brightness when fully charged.

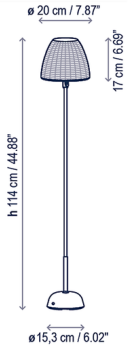

Shown in graphite brown / brown

P/114 Plug-In
