Nans S/55 Outdoor Pendant

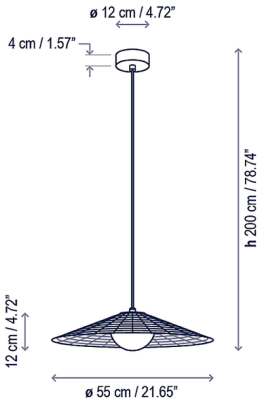

By Bover

Description

Reimagine your outdoor space and add an extra layer of depth with the Nans S/55 Outdoor Pendant. A hand-woven shade made of recyclable, non-toxic synthetic polyethylene fibers channels the charm of the Mediterranean coast and is well-suited for outdoor use. A polyethylene diffuser under the shade softens the LED light. Bring warm, refreshing light into porches, patios, or hospitality environments and create a relaxing atmosphere with the Nans. Dimmable with a TRIAC dimmer.
