# Nit Outdoor Portable Table Lamp

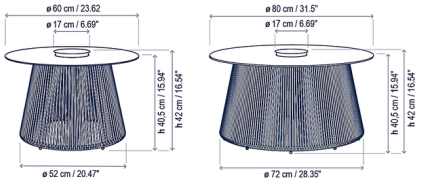

By Bover

## Description

The Nit Portable Outdoor Table Lamp pairs a circular surface with a base made of strung cords for an airy contemporary feel. The integrated LED light delivers a soft glow above and below the surface without being obtrusive. The base, crafted out of nautical cord (Orange) or synthetic fiber (Beige, Brown), lends an artisanal quality to the piece. A switch turns the lamp on/off and sets three brightness levels: 33%, 66% and 100%. The Nit is rechargeable with the included USB type C charger, charges in 12 hours, and operates for 8 hours at full brightness when fully charged. Available in two diameters: 23.62 inches (model Nit/60/R) and 31.5 inches (Nit/80/R).

Shown in terracotta / orange
