Roda Pendant

By Bover

Description

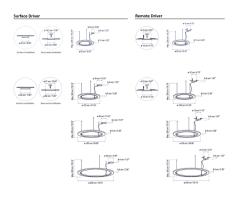

The Roda Pendant is defined by its eye-catching ring design that seems weightless despite its large size. Its aluminum frame is lined with LEDs and carefully wrapped in ribbon, emitting a uniform diffused light. The Roda enhances your space with beautiful texture and modern appeal. This light is available with a surface or remote driver. The surface driver can be installed on the surface or recessed. Available in four widths: 35.43 inches (model S/90/V), 47.24 inches (S/120/V), 59.06 inches (S/150/V) and 78.74 inches (S/200/V). Note: The 120V options are only available for the 35.43 inch wide pendant.
