# Roda Vertical Pendant

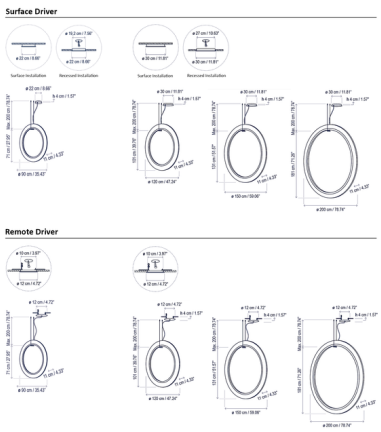

By Bover

## Description

The Roda Vertical Pendant stands out with its eye-catching ring design, exuding weightlessness despite its substantial size. Its aluminum frame is beautifully wrapped in ribbon, and LED light shines out from within to provide a uniform diffused light. With its contemporary appeal and texture, the Roda enhances any space it illuminates. This light is available with a surface or remote driver. The surface driver can be installed on the surface or recessed. Available in four widths: 35.43 inches (model S/90/V), 47.24 inches (S/120/V), 59.06 inches (S/150/V) and 78.74 inches (S/200/V). Note: The 120V options are only available for the 35.43 inch wide pendant.

Shown in brown / cream translucent ribbon
