Urban Ceiling Light

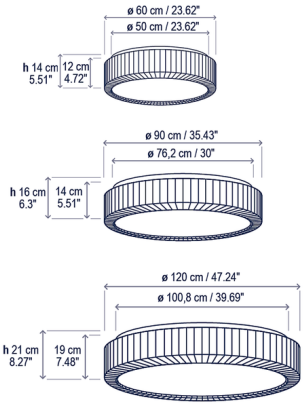

By Bover

Description

The Urban Ceiling Light offers refined sophistication that works well in a range of commercial, hospitality and residential applications. Its simple round frame is decorated with an elegant ribbon shade, offering beautiful texture for your space. Available in three diameters: 23.62 inches (model PF/60), 35.43 inches (PF/90) and 47.24 inches (PF/120). Light passes through the ribbon shade and a diffuser, providing soft ambient illumination. The diffuser is glass for the 23.62 inch light, polycarbonate for the 35.43 inch light, and methacrylate for the 47.24 inch light. The 120V option is TRIAC dimmable, and the 120-277V works with a 0-10V dimmer. Note: The 47.24 inch fixture is only available for 120-277V.

Shown in matte silver / white translucent ribbon
