Adamslane Table Lamp

By Elk Home

Description

Inspired by traditional Victorian design, the charming Adamslane Table Lamp features two elephants reaching up a palm tree. Captured in resin and given a high quality Bridgetown bronze look finish, this lamp is topped with a square, soft back shade in, copper-colored silken fabric. Reminiscent of style dating from the age of exploration, this design is ideal for a traditional style living room or private study. On/off push button inline.
