Axis RGB+CCT Smart Path Light Pro By DALS Lighting

Description

A slender form and a soft black finish give the Axis Smart Path Light a sleek, modern aesthetic that fits into any contemporary outdoor setting. The light delivers excellent color rendering, offering pure whites tunable to 2200K - 4000K and a full RGB color spectrum. This is a DALS Connect Pro (DCP) light, equipped with Bluetooth mesh technology. It can be controlled using the DALS Connect app, which offers basic functions such as dimming, as well as group creation and scheduling. The app also enables remote access and connection with Google Assistant and Amazon Alexa if a Core smart transformer is used. A 6 inch metal ground stake, 6 inch T-connector, and 6 ft extension cable are included. Note: A transformer is required, sold separately.
