Column Color-Select Outdoor Bollard Light 12V

By DALSi Lighting

Description

The Column Outdoor Bollard Light features a minimalist form for ultimate urban sophistication. Made of a slim, rectangular cast aluminum frame and LED module with frosted lens, it offers a chic landscape lighting solution for eco-conscious homeowners. Features switch selectable color temperature adjustable to 2200K, 2700K, 3000K, 3500K, or 4000K using a button on the fixture. This fixture can be pushed into the ground using the included plastic ground stake, or mounted to wood or concrete (screws not included). NOTE: A transformer is required, sold separately.

Shown in black / frosted
