Edge Color-Select Outdoor Path Light 12V

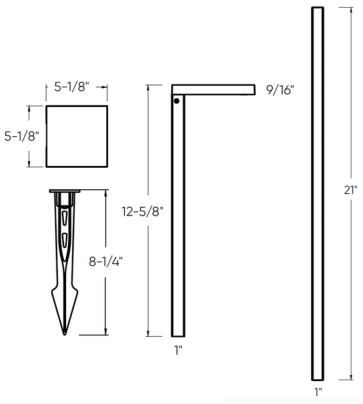

By DALS Lighting

Description

The Edge Path Light adds modern appeal to your outdoor environment, with its clean symmetrical form made of rust-resistant cast aluminum in a matte textured finish. The light is perfect for walkways, garden beds, or simply for directing the eye to your home's best features. Color temperature can be adjusted to 2200K, 2700K, 3000K, 3500K, or 4000K using a button on the fixture. The light includes a ground stake and a 21 inch extension tube which can be used in place of the 12 inch tube that comes attached, to add height. NOTE: A transformer is required, sold separately.

Shown in black / frosted
