Flux 12V Color-Select Outdoor Path Light

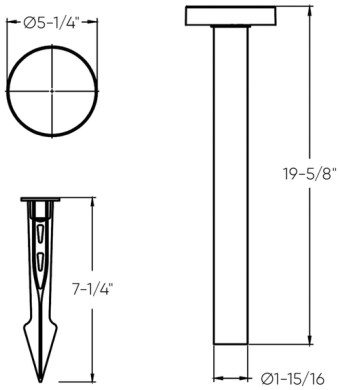

By DALS Lighting

Description

The sleek Flux Outdoor Path Light offers a 360 degree light spread, perfect for illuminating gardens, pathways, or walkways. The LED light emits a gentle glow through a frosted lens, highlighting plants, rocks, and other details in the surrounding areas. Features switch selectable color temperature which can be selected using a button on the fixture: 2200K, 2700K, 3000K, 3500K, or 4000K. Cast aluminum construction and a black powder coat finish ensure durability. This light can be pushed into the ground using the included plastic ground stake, or mounted to wood or concrete (screws not included). NOTE: A transformer is required, sold separately.

Shown in black / frosted
