Gaia RGB+CCT Smart Conical Path Light Pro

By DALS Lighting

Description

A modern classic, the Gaia Smart Conical Path Light provides downward, wide-area lighting that is both calming and practical. This luminaire not only creates unique highlights in flower beds and neatly groomed lawns but is perfect for lighting up walkways and winding paths as well. It delivers excellent color rendering in a full color spectrum, as well as 2200K - 4000K pure whites. A 6 inch extension tube is included for increasing fixture height if desired. Part of the DALS Connect Pro (DCP) series, this light incorporates Bluetooth mesh technology and can be controlled using the DALS Connect app. The app offers basic functions such as dimming, as well as group creation and scheduling. The app also enables remote access and connection with Google Assistant and Amazon Alexa if a Core smart transformer is used. A 6 inch metal ground stake, 6 inch extension tube, 6 inch T-connector, and 6 ft extension cable are included. Note: A transformer is required, sold separately.
