Mason RGB+CCT Smart Brick Light Pro
By DALS Lighting

Description

The Mason Smart Brick Light fits seamlessly into the architecture of any home with its minimalistic form, simple casing and subtle aesthetic. This light can be recessed or surface mounted. It delivers excellent color rendering in a full color spectrum, as well as 2200K - 4000K pure whites. Part of the DALS Connect Pro (DCP) series, this light incorporates Bluetooth mesh technology and can be controlled using the DALS Connect app. The app offers basic functions such as dimming, as well as group creation and scheduling. The app also enables remote access and connection with Google Assistant and Amazon Alexa if a Core smart transformer is used. A mounting plate, 6 inch T-connector, and 6 ft extension cable are included. Note: A transformer is required, sold separately.
