Horizon RGB+CCT Smart Flood Light Pro By DALS Lighting

Description

The Horizon Smart Flood Light is a durable, versatile solution for your landscape lighting needs, made of high strength aluminum alloy with adjustable precision. It delivers incredibly bright illumination with a wide 120 degree beam angle, offering 2200K - 4000K pure whites as well as excellent color rendering in a full color spectrum. Part of the DALS Connect Pro (DCP) series, this fixture incorporates Bluetooth mesh technology and can be controlled using the DALS Connect app. The app offers basic functions such as dimming, as well as group creation and scheduling. The app also enables remote access and connection with Google Assistant and Amazon Alexa if a Core smart transformer is used. The Horizon can be wall mounted or staked in the ground. A 6 inch metal ground stake, 6 inch T-connector, and 6 ft extension cable are included. Note: A transformer is required, sold separately.
