Classic L01D Vertical Full Frame Inset LED Mirror

By Matrix Mirrors

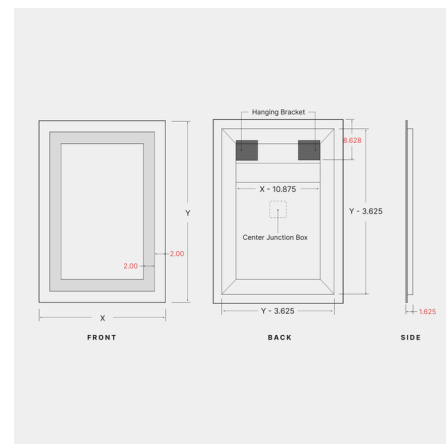

Description

The Classic L01D Vertical Full Frame Inset Direct LED Mirror perfectly blends functionality and style, providing the right amount of direct illumination for your daily grooming routine while its sleek, modern design elevates your bathroom or vanity area. High-quality materials, craftsmanship, and energy-efficient LED lighting ensure that it lasts a long time. Notes: The mirror must be installed vertically. A horizontal version is sold separately. The mirror is available with or without an anti-fog demister that defogs the center area of the mirror. The anti-fog demister voltage is 120V and it must be on an independent switch, or can be on the same switch as the mirror if it is 120V non-dimming.
