Classic L02I Vertical Full Frame Edge Indirect LED Mirror

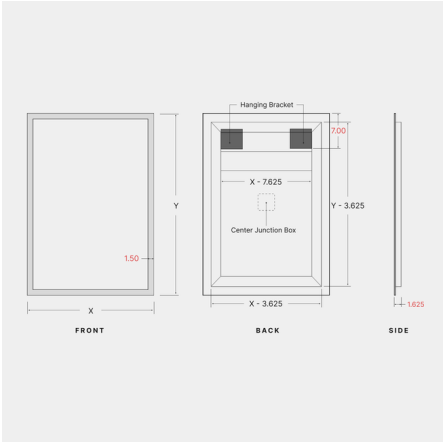

By Matrix Mirrors

Description

A perfect blend of form and function, the Classic L02I Vertical Full Frame Edge Indirect LED Mirror offers sleek, modern appeal with its simple lines and frosted border while providing the right amount of indirect illumination for your daily grooming routine. High-quality materials, craftsmanship, and energy-efficient LED lighting make this mirror a long-lasting solution for your space. Notes: The mirror must be installed vertically. A horizontal version is sold separately. The mirror is available with or without an anti-fog demister that defogs the center area of the mirror. The anti-fog demister voltage is 120V and it must be on an independent switch, or can be on the same switch as the mirror if it is 120V non-dimming.
