Classic L05I Vertical No Frost Indirect LED Mirror

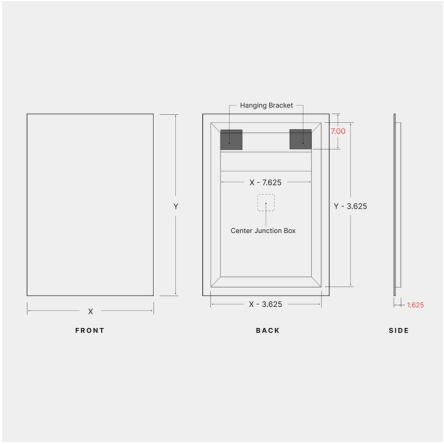

By Matrix Mirrors

Description

With its minimal, sleek form and optimal functionality, the Classic L05I Vertical No Frost Indirect LED Mirror strikes a perfect balance between style and utility. Its edgeless design adds contemporary appeal to any space, and its indirect light offers soft illumination for your daily grooming routine. High-quality materials, craftsmanship, and energy-efficient LED technology ensure durability and longevity. Notes: The mirror must be installed vertically. A horizontal version is sold separately. The mirror is available with or without an anti-fog demister that defogs the center area of the mirror. The anti-fog demister voltage is 120V and it must be on an independent switch, or can be on the same switch as the mirror if it is 120V non-dimming.
