Retro Industrial Pendant

By Ferroluce

Description

The Retro Industrial Pendant features vintage-inspired styling evoking the scenery of 20th century workshops and factories. The fixture's ceramic shade is complemented by iron details in a rust finish for a rustic, antiqued look. An adjustable gimbal allows the light to be aimed to provide accent or task lighting on specific area. The bottom of the shade is covered with a metal cage to complete the look with an industrial accent. Available in Vintage finishes with antiqued details, or Refined finishes with no antiquing.

Shown in vintage green
