Retro Industrial Table Lamp

By Ferroluce

Description

The Retro Industrial Table Lamp features vintage-inspired styling evoking the scenery of 20th century workshops and factories. The lamp's ceramic shade is complemented by iron details in a rust finish for a rustic, antiqued look. Three metal legs on the back of the lamp allow it to stand upright or be tilted on its side to direct light wherever it is needed most. The bottom of the shade is covered with a metal cage to complete the look with an industrial accent. Available in Vintage finishes with antiqued details, or Refined finishes with no antiquing.
