Alonso XL Chandelier

By Alora

Description

The Alonso XL Chandelier brings a modern look to a traditional style. The thick steel frame is solid or holds Alabaster plates, each with a glass diffuser, casting warm shadows across your room. Dimmable with Standard Triac or Low Voltage Electronic dimming. Note: Alabaster boasts distinct variations in both its veining and tone, a unique characteristic of a timeless natural material. No two pieces will look the exact same.
