Molto 3-Arm Chandelier

By Blueprint Lighting

Description

The Molto 3-Arm Chandelier is a fresh take on Italian modernism, showcasing spun metal mesh shades inspired by Mathieu Mategot's signature Rigitulle material. Matte milk glass globes are set inside the shades and give off a welcoming ambient glow. The shades can swivel for light direction adjustment. Embodying both playfulness and sophistication, this fixture complements interior spaces of many design styles.Note: The mesh shades and cones behind them are Stark White. Some images may show other colors.
