## Petite Tulle Wall Sconce

By Blueprint Lighting

### Description

The Petite Tulle Wall Sconce pays homage to Mathieu Mategot's iconic Rigitulle mesh metal design while infusing it with a modern touch, bridging the gap between past and present. This timeless design works well in a range of interior settings. The perforated shade pivots in and out, and can rotate 360 degrees to face up, down, or any other direction.

Shown in natural brass / stark white
