Arko Table Lamp

By Simone & Marcel

Description

The Arko Table Lamp is a striking statement piece with a curved shape inspired by Sri Lanka's Nine Arches Bridge. The base's solid form is contrasted by its soft curves and open space, which lightens the design with an airy touch. Arko is capped with a cotton drum shade to provide soft, diffused illumination. Includes 59 inch black cord with in-line on/off switch.

Shown in ecru ceramic / ecru cotton
