Edna Table Lamp By Simone & Marcel

Description

The Edna Table Lamp is the first lamp created by Simone & Marcel, inspired by a cartoon character and further morphed into an abstract form vaguely resembling a person's hair and face. The arched cotton lampshade cuts a uniquely striking silhouette and provides soft, diffuse illumination. It is supported by a rectangular alabaster base for a sturdy, solid expression. Includes 59 inch black cord with in-line on/off switch.

Shown in tobacco alabaster / ecru cotton
