Pendolo Floor Lamp

By Simone & Marcel

Description

The Pendolo Floor Lamp explores circular geometries with a round cotton shade supported by a sleek brass stem. While many traditional drum shades are flat on top and bottom with curved edges, Pendolo's shade has been turned on its side to emphasize its circular shape. This rounded motif is echoed in the lamp's stone base, which is cylindrical in shape with a curved top. On/off switch located on cord.

Shown in white alabaster / ecru cotton
