Gene Swing Arm Wall Sconce

By Visual Comfort Signature

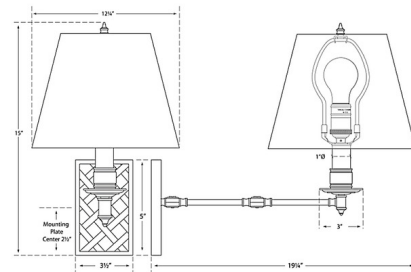

Description

The Gene Swing Arm Wall Sconce adds a clean beauty to your interior space. The decorative backplate and swing arm is topped with a pleated silk shade that directs light where you need it. Extends from 12.75 inches to 19.25 inches. Includes matching cord cover. Hi/Lo switch is located on the lamp socket. Note: May be used as a plug-in or hardwired, see installation instructions for directions. Note: When hardwired, fixture does not cover a standard US junction box and requires a 2 x 4 inch junction box.

Shown in natural brass / silk
