Triple Swing Arm Wall Sconce

By Visual Comfort Signature

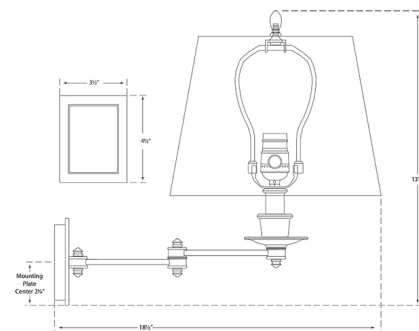

Description

The Triple Swing Arm Wall Sconce pairs a thin adjustable arm with a classic tapered shade for a tailored look that complements many design styles. The linen or silk shade glows warmly as it softens the light. This wall light is ideal for use as a reading lamp by a bed or a living room sofa. It can be installed as a hardwired or plug-in light, and cord covers are included for plug-in use. Note: Fixture does not cover a standard US junction box and requires a 2 x 4 inch junction box.

Shown in antique nickel / silk
