Single Swing Arm Wall Sconce

By Visual Comfort Signature

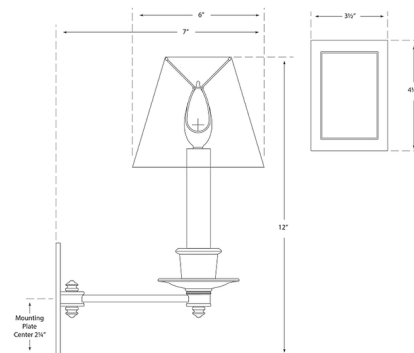

Description

The Single Swing Arm Wall Sconce maintains the clean appearance of a stationery sconce, yet can swivel from side to side to position the light where needed. Its single candlestick holder is topped with a soft linen shade that diffuses the light, providing a warm glow ideal for hallways or by a bed. Note: Fixture does not cover a standard US junction box and requires a 2 x 4 inch junction box.
