Moravian Star Pendant

By Visual Comfort Signature

Description

The Moravian Star Pendant combines worn metal finishes with antiqued mirror glass panels to create a charming vintage aesthetic. Styled as a single pendant or clustered in multiples to form a starry installation, this geometric lighting lends a jewelry-like accent to your interior space. The 12.25 inch wide pendant is rated for damp locations, and the other sizes are rated for dry. Note: The 48 inch wide pendant requires additional ceiling support due to its weight.
