Mill Pendant

By Visual Comfort Signature

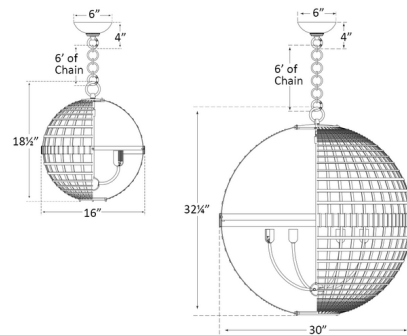

Description

The Mill Pendant exudes both an organic and modern feel through its open woven globe crafted out of thin steel strips. Light emanates from within this eye-catching orb, creating a stunning interplay of light and shadow. Use the Mill to add ambient lighting and an airy, modern aesthetic to a parlor, dining room, or entryway. Note: The 30 inch diameter pendant requires additional ceiling support due to its weight.

Shown in burnished silver leaf
