Selfoss Wall Sconce

By Visual Comfort Signature

Description

The Selfoss Wall Sconce is a distinctive sculptural form that folds upon itself. When turned on, it casts a warm ambient light upwards and downwards into your space, and the golden interior shines as it reflects the light. This sconce complements a range of interior styles from vintage to contemporary. The 11 inch high sconce is damp-rated, and the 23 inch is dry-rated.

Shown in bronze
