Olsen Table Lamp

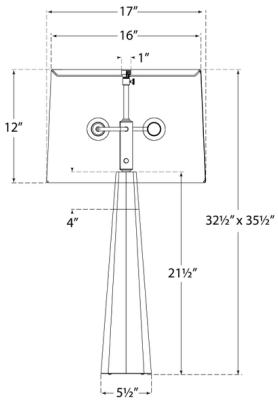

By Visual Comfort Signature

Description

With its tapered faceted body, the Olsen Table Lamp adds sophistication and Art Deco flair to your space. The body is capped with a coordinating metal accent, and a soft linen shade completes the look. The Olsen illuminates any room with a gentle, inviting glow. This lamp is French wired, so that the power cord exits at the bulb socket. Note: Alabaster is a natural stone and variations in color and texture make each piece unique.
