## Reims Chandelier

By Visual Comfort Signature

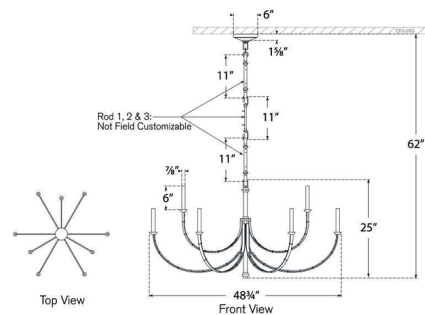

### Description

The Reims Chandelier is a unique take on classic chandelier design, showcasing swooping arms made of flat metal strips. Candlestick lamp holders and the Aged Iron finish add a traditional touch. Use the Reims to make an elegant statement in your entryway, living room, or dining room. Due to the flat profile of the arms, the fixture is French wired, meaning that the wires running to the lights are visible along the arms.
