Robinson Wall Sconce

By Visual Comfort Signature

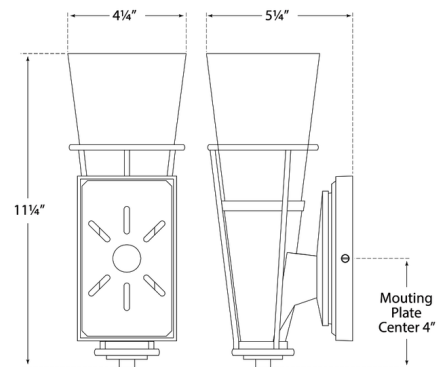

Description

The Robinson Wall Sconce updates a 1960s lamp design with contemporary metal finishes while retaining retro touches such as the seeded glass option. Place it in an entryway or hallway, or install a pair on either side of a bathroom mirror. Note: Fixture does not cover a standard US junction box and requires a 2 x 4 inch junction box. Bronze and Polished Nickel finishes are only available with White glass. The Hand-Rubbed Antique Brass finish is only available with Clear glass.
