Penz Wall Sconce

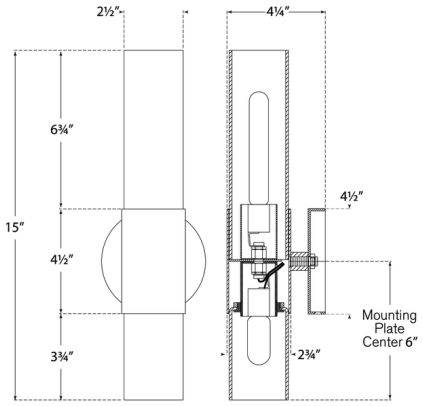

By Visual Comfort Signature

Description

The Penz Wall Sconce presents a minimal, cylindrical profile, blending well with many interior design styles. Its white glass diffusers are accented by a wide metal band and backplate. They glow warmly as light passes through, casting a soft ambient light into your space. This light can be used to illuminate a range of settings, from bathrooms and powder rooms to hallways and living rooms.

Shown in hand-rubbed antique brass / white
