Liaison Large Outdoor Wall Sconce

By Visual Comfort Signature

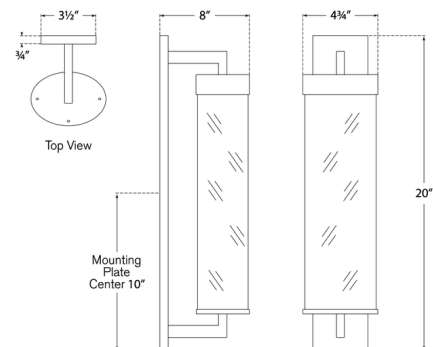

Description

The Liaison Large Outdoor Wall Sconce is a harmonious blend of modern and classic styles with its clean architectural metal frame and glass shade. Choose smooth clear glass for a sleek look, or the fractured crackle glass for a more vintage or rustic feel. This sconce provides warm ambient lighting for patios, porches, bathrooms, and other indoor or outdoor spaces. Notes: Fixture does not cover a standard US junction box and requires a 2 x 4 inch junction box. The Polished Nickel finish is not intended for outdoor use.
