## Versa Table Lamp

By Visual Comfort Signature

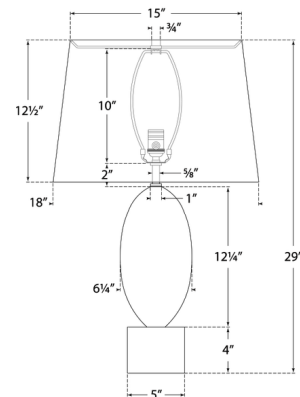

### Description

The Versa Table Lamp is defined by balance and simplicity. Inspired by the sculptor Constantin Brancusi, this lamp, crafted out of natural alabaster, carefully balances an oval body over a solid cube base. A generously sized linen shade completes the composition and glows warmly as the light shines through. Whether placed in a living room, bedroom or hallway, the Versa elevates your space with its distinctive modern character. Note: Alabaster is a natural stone, and variations in color and texture are expected and make each piece unique.
