Loire Chandelier

By Visual Comfort Signature

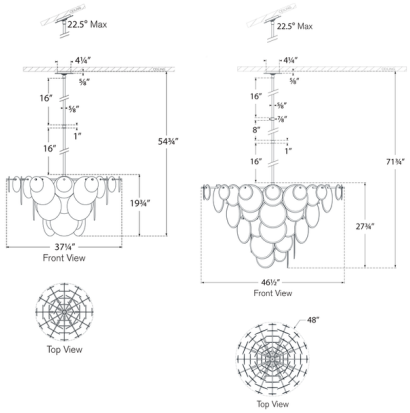

DAMP

Description

The Loire Chandelier presents a stunning arrangement of strie glass discs set on a multi-tiered metal frame. Light is softly filtered through the glass swirls to cast a warm glow throughout your space. Inspired by midcentury Italian design, this refreshing piece elevates any space with its airy, modern aesthetic. The 37.25 inch wide chandelier is rated for dry locations, and the 48 inch is damp-rated. Notes: Due to the weight of this fixture, additional ceiling support is required. Custom overall heights are available. For quotes, please contact our sales team.
