Loire Barrel Chandelier By Visual Comfort Signature

Description

The Loire Barrel Chandelier is an eye-catching composition of strie glass discs placed around a central column of lights. A filtered glow emerges through the swirled glass, providing warm ambient illumination for your space. Inspired by midcentury Italian design, the Loire is a refreshing piece that elevates any space with its airy, modern aesthetic. Notes: Due to the weight of this fixture, additional ceiling support is required. Custom overall heights are available. For quotes, please contact our sales team.
