Stellar Chandelier

By Visual Comfort Signature

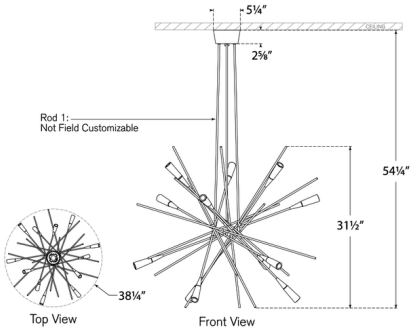

DAMP

Description

The Stellar Chandelier becomes the starburst focal point of any room, entryway, or hallway. Its radiating design is fashioned out of intersecting metal rods without a central hub for an airy, modern effect. Conical frosted acrylic shades disperse the LED light, delivering plenty of warm ambient illumination. TRIAC dimmable. Note: Custom overall heights are available. For quotes, please contact our sales team.
