Vedra Table Lamp

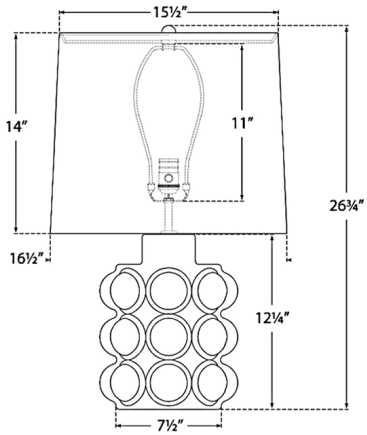

By Visual Comfort Signature

Description

The Vedra Table Lamp is both a light source and a work of art, a beautiful piece for decorating a living room side table. Its sculptural orb design, inspired by midcentury French ceramics, adds dimension to your space while its reactive glaze finish enhances the unique form. The finish may vary in color and texture. Light is diffused through the linen shade, providing gentle warm illumination.

Shown in polar blue crackle / linen
