## Launceton 2 Tier Chandelier By Visual Comfort Signature

## Description

The Launceton 2 Tier Chandelier serves as a striking focal point for your entryway, living room, or dining room. Its two-tiered wheel design with classic candlestick lights makes a grand statement and casts plenty of ambient lighting across your space. Note: The 53.25 inch and 63.25 inch diameter chandeliers require additional ceiling support due to their weight.
