Ashlar Tall Table Lamp

By Visual Comfort Signature

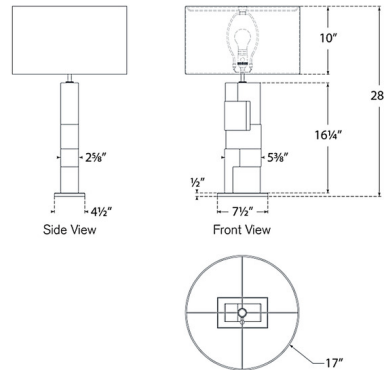

Description

The Ashlar Tall Table Lamp is inspired by the puzzle-like precision, hand-cut stone walls of Machu Picchu. The rectangular body, with cuts of natural alabaster, rests on a finished base. A round linen shade that casts warm light across your room, completes the look. Dimmer switch is located on the lamp socket. Note: Alabaster is a natural stone and variations in color and texture make each piece unique.
