Kinsley Wall Sconce

By Visual Comfort Signature

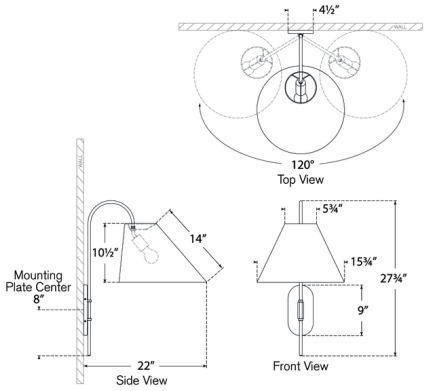

DAMP

Description

Elegant and refined, the Kinsley Wall Sconce offers a twist on classic forms. A gracefully curved metal stem is paired with an asymmetrical linen shade in a design inspired by midcentury French and Italian modernism. The arm swivels for adjusting light direction. Place a pair of these lights on either side of a bed, or place one in a living room to introduce soft ambient lighting.

Shown in soft brass / linen
